

VOLUNTEER APPRECIATION

Trinity Village celebrated volunteers on the evening of May 16th. The theme for this event was “Lifting Community”. Volunteers were asked to send in statements of how they lift community at Trinity Village. The request was a success, as many volunteers had thoughtful and inspiring words that were shared at the event through a slideshow.

The evening meal was made in house by our chef Verna Fulton. While everyone enjoyed their meal they were entertained by the talented Wilfred Laurier Music Therapy Student, Kristen Williams. The program for the evening consisted of seven speakers from a cross section of volunteer/student positions within Trinity Village.

Each one of them shared a different story of how they lift Trinity. Many of them felt lifted themselves by the opportunity to volunteer and give of their time and talents. I would like to thank all the volunteers for their continued support to the volunteer program on behalf of Trinity Village, residents, staff and myself. I look forward to another successful year of “Lifting Community” with all of you.
